Dear Laura:

This correspondence is in regard to amendments filed September 20, 2011 affecting the following 2011 reports: April 20th Monthly, May 20th Monthly, June 20th Monthly, July 20th Monthly, and August 20th Monthly. These reports were amended as a result of the LEVIN account income and expenses being reported on both Schedule L and the regular monthly reports. The Levin funds were never deposited in a Federal Account - only in the separate Levin Account. The Levin balance was being included, incorrectly, in the total cash on hand.

All of the above mentioned reports were amended to remove bank service charges. The August 20th Monthly was amended to remove the contributions associated with the Levin Account. These changes affected the cash on hand balance. The cash on hand balance shown on the Sept 20 Monthly Report (August 1 - 31, 2011) is the correct cash on hand balance.

Please let me know if you have any additional questions, or need any additional information.
